

CONCRETE DIAMOND DRILLS

END130/3P Wet Diamond Drills

- heavy duty all metal motor body & gearbox
- water feed for drilling reinforced concrete
- clean, accurate holes in tiles & stone
- drills can be used hand held or rig mounted
- mechanical speed change oil-bath gearbox
- for drilling large diameter holes
- reinforced concrete, tarmac & stone

The END130/3P is a powerful drill motor for use hand held or with a drill rig. It is mainly for wet drilling but can be used for drilling dry through brick and block work

The three speed motor gives control for use with various core sizes and materials. The motor will drill through concrete, asphalt, tiles and stone, masonry and hard brick

The END130/3P is for use by specialist drilling trades and contractors; the clutch is set harder for use by experienced drillers

Max hand held drilling in concrete 80mm

Max drilling with rig in concrete 152mm

Max hand held drilling in brick & block 152mm

END130/3P Diamond Drill 1800w

Speeds 600/1300/2800

Drill weight 7.3kg

Rig weight 11kg

Collar 60mm

Vibration level 3.4m/s

Noise level 78dBA

Voltage 110v or 240v

Transformer 3kva, 16 amp plug

APPLICATIONS

wet drilling into floors & walls	✓
drill through concrete & asphalt	✓
neat holes in stone & tiles	✓
holes for conduits, pipes & vents	✓
for plumbing & heating trades	✓
for electrical & telecoms trades	✓
